

Innutra was founded to change the world one life at a time by improving quality of life for individuals who are seeking better health and financial freedom. In order to accomplish this, Innutra needs motivated individuals who want to positively influence others to make a change... Innutra "INNfluencers." With this goal in mind, there can be no barriers for INNfluencers to partner with Innutra. That's why Innutra has redefined the network marketing industry by offering an opportunity to earn an extraordinary income with NO sign up fees, NO annual membership fees, and NO bundle purchase requirements. Additionally, Innutra wants to be fair with its INNfluencer network and has no balancing, no requirements, no qualifications... no tricks. Just a straightforward uni-level comp plan that is not 'complicated. Our generous compensation plan allocates 48% of all sales in an infinity wide, 9 level deep, comp plan that pays on EVERY sale. No power legs, no qualifiers... we pay weekly on every sale every time.

Points add up!

One of the most confusing parts of many comp plans in the industry is the point system. In other companies you may see "PV" (Personal Volume), and/or "GV" (Group Volume), and/or "CV" (Corporate Volume), and they have requirements, balancing and other tricks that can be deceiving and leads to disappointment. In Innutra, as you build your network of INNfluencers, you will be credited with INNfluencer Points ("IP" \$1 = 1 IP) for your purchases, and infinity deep in your organization! Your IP balance can reward you advancements in the company, which will earn you bonuses, INNcentive prizes like a Louis Vuitton bag, and INNcentive trips that can take you from a California winery estate to Bora Bora!

Why don't we have "Preferred Customers?" Because we want anyone who chooses Innutra to have an opportunity to positively influence others and make some extra money for doing so. So if you're not comfortable in sharing the opportunity with others now, if you're on autoship (automatic monthly order processing) you will have the opportunity to refer others through your dedicated link and receive commission, points and all the opportunities as an INNfluencer! So in other words, our "preferred customers" are INNfluencers as well!

It's Good To Be IN!

Getting IN as an Innutra INNfluencer is simple... sign up for autoship on any Innutra product and you're IN! For the best value, be sure to explore our kits, which will maximize your savings! Where else can you find an opportunity to make an extra income or your fortune for under \$30 per month?... nowhere! That's because our true mission is to change the world!
